## **ELIM CHRISTIAN CENTRE**

**As the Pastor of the Elim Christian Centre, Motherwell, I would like to welcome you. Our church is a friendly, thriving and growing all age church in which we celebrate all that God is and means to us. This is expressed through our worship and ministry and by each individual's daily lifestyle and the sense of a genuine desire to worship a living and gracious God.**

**In our fellowship we ensure that we cater for all ages. So whatever age you may be, from the youngest to the oldest, you will find an opportunity to develop friendships with others within the fellowship. We are pleased that our fellowship is made up of many people, all with differing status, backgrounds and professions. But a common theme that runs through our fellowship is the fact that Jesus Christ has made the difference. We are all on a journey and we revel in God's love over our lives and celebrate His goodness.**

## WHAT IS ELIM?

Elim is an international movement, founded in 1915 in Monaghan, Ireland by George Jeffreys. Elim was founded on four basic biblical truths. That Jesus Christ is Saviour, Healer, Baptiser and Coming King. The Elim movement grew rapidly as a result of evangelistic outreaches and continues to grow both in this country and abroad. There are currently over 400 Elim Churches in the United Kingdom with many more affiliated groups worldwide.

Currently, Elim is led by a National Leadership Team, and the General Superintendent, is John Glass. The country is divided into regions and the Regional Superintendent for Scotland is Kevin Peat. He is responsible for all the Elim Churches in Scotland, although each church has its own leadership structure.

Elim Christian Centre, Motherwell has a Senior Leader in Pastor John Murfin, and an Elder in Ricki Hutchison. Other deacons, who are the servants of the church, are appointed and other group leaders have varying responsibilities.

The name Elim is taken from Exodus Ch 15:27 in the Bible. It refers to an oasis in the wilderness, a place of refreshing in the desert.

That is what we aim to be “A place where people can be refreshed in God in a world that can seem so dry and arid”
